For Group Discussion:

Discuss the three pictures of God listed above ("The Crucial Question"): how each one might manifest itself; how each one affects how a person lives; how each one blocks a true picture of God.

How does the picture of Jesus in the Gospels differ from the picture many have of God?

Why is it so difficult to think of "Almighty God" as "kind"? Why is it important that we do?

"Springs will gush forth in the wilderness and streams will water the desert"

I'm grateful to live in a free nation. Most people in our world don't enjoy freedom as we do here in the USA. I pray our nation will re-focus on what freedom means, quit pushing personal agendas, and restore freedom to what our founding fathers intended.

That having been said, the freedom I cherish most is that which I have in Christ Jesus: Freedom from the guilt of sin, freedom from Satan's control, freedom to live in Christ and to honor him with my life as he has blessed me to be able to do. Some would seek to dictate my exercise of freedom in Christ, but I will not allow others to take from me what my Lord died to purchase. If you're feeling bound today, then please listen closely to the sermon this morning.

Some of us will be traveling to Abilene today for ACU's "Summit." Tyler and I will be out of the office all week. Margie's work hours are 9:00 a.m.-1:00 p.m., and she should be in the church office Monday through Friday.
