FOR GROUP DISCUSSION

1. **Your assignment:** Develop an “Andrew Ministry.” Focus on a need – in this church, in our community, or elsewhere. It could be a one-time need or an ongoing ministry. Diagnose the need as best you can, and develop an initial effort to address the need. You may want to spend some time seeking the Lord’s guidance concerning which need to focus on and/or how to be used by Him to meet the need. Remember, it’s not about having all the resources necessary to fully meet the need. It’s about a compassionate vision of faithfully trusting that Jesus will use you to meet the need. Have someone take notes, and turn in your “Andrew Ministry” plans to the church office.

It is estimated that the United States wastes 100 billion (that’s “billion” with a “b”) pounds of food annually. American households throw out \$50,000,000,000.00 worth of food each year. What’s most sad about that (other than as a nation we’re so unappreciative of the abundance of our blessings) is that millions in our society don’t have enough to eat or don’t eat the kind of nutritious foods necessary to be healthy. The challenge: How do we get the “waste” – the excess we throw away – to those who don’t have enough?

Our Jesus story this morning – the feeding of 5,000 – is familiar, and it provides us with a great challenge: How do we take care of a human need when the need seems impossible? Listen closely this morning, and you’ll hear an answer from a surprising source.

It’s great to be together with you in the Presence of the Lord.

Glenn
